CERTIFICATE

This is to certify that the dissertation entitled *A Comparative Study of the Select Works of Mahasweta Devi and Arundhati Roy in Subaltern Perspective* deals with an altogether fresh and new topic and to the best of my knowledge, no one has worked on this subject to the award of a doctoral degree in any university. The subject matter of this project is a record of original work done by the candidate herself and the contents are findings that the candidate has made in the course of her investigation on the project. Above all, the thesis makes a genuine contribution to scholarship as it aims at fresh diffusion to knowledge on the particular subject and opens new avenues for further research.
