

## **CERTIFICATE**

This is to certify that the subject matter of the dissertation entitled “Ecology and Ethnicity: An Analytical Study of Mamang Dai’s Novels The Black Hill and Stupid Cupid” is the record of the work done by Mr. Subhankar Biswas, a research scholar working under my supervision. Further, it is also certified that the above work is the result of sincere and detailed study done by the scholar. It has neither been submitted in any other form to any other university or institution nor has been published anywhere before.
