

ACKNOWLEDGEMENT

Writing has always been my hobby but I didn't know that one day I'll write a dissertation as I had never thought of doing an M.Phil even in my wildest fantasies. There has been a noteworthy contribution of many people in helping me complete my research work and my dissertation wouldn't be complete without acknowledging the important role they played in my endeavor. I would first and foremost like to express my heartfelt gratitude towards my guide, Dr. Chandrima Sen. I am thankful to her for not only guiding me in the course of my M.Phil but also for advising me to choose a writer like Mamang Dai. I personally being a fantasist was quite distanced from the realities of society. Mamang Dai helped me bridge that gap and increase my social consciousness which is imperative to be a worthy citizen and all credit for that goes to Dr. Chandrima Sen. A very special note of thanks to all the honorable teachers of the Department of English, Kokrajhar Govt. College and Bodoland University especially to Dr. Arun Kumar and Professor Pradip Kumar Patra respectively for all their support.

I would also like to confess that doing an M.Phil wasn't my personal dream. There is someone who had dreamt this for me so I owe it to him; my father, Mr. Sankar Biswas. Words fail to express my gratitude for my mother, the only person on earth who can lighten up my dullest of days by her abundant admiration for me and my work. I am especially thankful to my friends Mr. Utpal Patgiri and Mr. Habibul Islam who motivated me and guided me when I needed it the most.

I am grateful to all the other people who at some point of time or the other have added value to my life and the Almighty to have given me a life with so many wonderful people around me for company.
