CERTIFICATE

I have the pleasure to certify that this thesis entitled **“MORPHOLOGICAL ASPESTS OF BODO AND HAJONG: A COMPARATIVE STUDY”** has been prepared by Maina Narzary under my guidance and supervision. She has fulfilled all requirements under the Ph.D. regulations of Bodoland University. No part of this thesis has been published earlier. This thesis has never been presented earlier for any degree of any such purpose to any University or institution.

This is an entirely fresh and original piece of research work.
