

ACKNOWLEDGEMENT

At first, I express my sincere gratitude and thankfulness to my research supervisor Prof. Pradip Kumar Patra, Professor of English and Dean, Faculty of Language, Department of English, Bodoland University, for his high afflatus, intensive guidance and supervision to carry out my extensive research work successfully. I believe that it is because of his persistent moral boost, advice and suggestion this work has come to reality. Then my heartfelt thank goes to Dr. Tanushree Nayak for her valuable help to edit some chapters. I am also highly thankful to my esteemed colleagues Dr. Chandrima Sen, Dr. Manab Medhi and Dr. Bebajyoti Biswas for helping me at editing some of the chapters. I also extend gratitude to all my other colleagues, friends and well-wishers for their encouragement, support and good wishes. My special gratefulness goes to all the authors, editors and scholars whose works, papers, quotations, ideas and thoughts, directly and indirectly, I have referred and cited in my thesis. I am thankful to my wife, Babita Brahma for her moral support to my research work. The last but not the least, I thank the binder of my thesis.
