BODOLAND UNIVERSITY, KOKRAJHAR.

Dr. Indira Boro.
Associate professor.

CERTIFICATE

This is to certify that Asha Rani Brahma has carried her research work for her thesis **“A Descriptive Analysis of Numeral Classifier and Quantifier used in Bodo Language”** for more than four years under my supervision. She has fulfilled the entire requirement laid down in the regulation for Ph.D. degree of the Bodoland University.

The thesis is the result of her own investigation and neither the thesis as a whole nor any part of it has been submitted to any other university in India or abroad for any other research degree.

ACKNOWLEDGEMENTS

At the outset I am very much grateful to my guide Dr. Indira Boro, Professor Department of Bodo, Bodoland University, Kokrajhar for her guidance and scholarly advice. This thesis work of mine has come in to being because of her everlasting suggestion and guidance.

I would be failing in my duty if I do not thank Dr. Birhash Giri Basumatary, Principal Bijni College, who was my initial guide. The important initial thesis work was completed under his in depth guidance. I would like to express my appreciation and thanks to Dr. Phukan Ch. Basumatary, HOD, Bodoland University, Kokrajhar for sharing his pearls of knowledge with me during the course of this research.

I convey my sincere thank to Shri. Tulsi Bordoloi Professor Jagiroad College, his wife Smt. Anita Mushrong and my beloved friend Junu Rahang Astdt. Pofessor Dimoria College for their valuable help in my field study.

I express my forever love to my Husband Mriduraj Basumatary and my sweet daughter Jiya for their support and understanding in this time of research work. My thanks to my bother in law Rudra Raj Basumatary and Nwjwr Basumatary for helping me in computing this thesis work. I am also thankful to my colleague Mrs Joyshri Narzary, Miss. Jumi Rani Brahma and Ringsar Brahma for helping in my thesis work.

My thanks to all my informants, well wishers and every one related to my research work.
