

## **ACKNOWLEDGEMENT**

First of all, I would like to offer my deep and sincere thanks to Dr. Kangujam Priyokumar Singh, Associate Professor, Department of Mathematical Sciences, Bodoland University for his believes on me and giving the opportunity to work in the field of Fuzzy Mathematics under his guidance. I would also like to thank him for the very friendly approach and for his skillfulness of research experiences as without his advice and suggestion my work would be impossible to come in true in the reality.

My sincere gratitude goes to Dr. D.K. Mitra, Head of the Department of Mathematical Sciences, Bodoland University for providing me necessary facilities in due time to bring out this thesis. My sincere thanks go to Bodoland University (BU) and the Central Institute of Technology Kokrajhar for giving me a comfortable platform to bring out this research work successfully.

I would like to thank those peoples who directly or indirectly helped me during the period of my research work. However, there were some peoples with whom I interacted during my research work that I would like to mention here.

Firstly, I would like to express my gratitude to Prof. Himanta Kr. Baruah former Vice Chancellor, Bodoland University who helped me to identify the area of my research work.

Secondly, I would like to express my gratitude to Dr. Sibhu Basak, Associate Professor, Department of Mathematics, Kokrajhar Govt. College for his valuable cooperation during the period of my research work.

Thirdly, I would like to thank all the research Scholars, teaching and non-teaching staff of the Department of Mathematical Sciences, Bodoland University for their hearty support and with whom I have spent the long days of research works in so much fun.

At last but not least, I owe plenty of thanks to all my family members for being patient with me for a long time. In particular my beloved parents, Mr. Tarani Kt. Borgoyary & Smt. Hiran Muyee Borgoyary and my sweetheart Mrs. Ansuma Rani Basumatary for supporting and inspiring me to complete this research work successfully in time.

Finally, my lovely daughter Chakirani Borgoyary, the valuable possession of my life needs a special mention here, who had always created a pleasant environment with her sweet smile during my research period.
