

## ACKNOWLEDGEMENT

At the very outset, I convey my utmost gratitude to my Supervisor Dr. Keshab Basumatary, for his untiring guidance and encouragement throughout my research work. This thesis would not have been completed without his constant support and motivation. I also would like to thank all the teaching faculties, Department of Economics, Bodoland University, for providing the opportunity and support needed to complete the research work.

I extend my sincerere gratitude to Mr. Prashanta Ranjan Acharjee, former HoD, Economics, G C College, Silchar, for his constant support and encouragement till the completion of my research work. From the bottom of my heart, I sincerely thank all faculty members of the Department of Economics, G C College, for their help and suggestions during my service period at G. C College, Silchar.

I do not have enough words to express my gratitude to Mr. Basudev Ojah and Mrs. Kalapana Ojah for their constant support and contribution to excel in life.

I wish to extend sincerely my gratitude to Prof. L. Ladu Singha, Vice-Chancellor, University of Bodoland and Dr. Amitabha Barua, Controller of Examinations, Bodoland University for their kind support in completing my research work.

I am very much thankful to Mr. Rajang Narzary and Dr. Jitu Saikia for their kind support during my research work. I also extend my sinecere thanks to friends and individuals who helped and encouraged in many ways during my research work.

Last but not least, no words can express my gratitude to my parents for their support and blessings to progress in life.
