List of Figures	x
List of Maps	xi
List of Flow chart	xi
Chapter 1 Introduction	1-29
1.1 Forest and human being	1
1.2 Concept of Biological diversity	2
1.2.1 Biodiversity of World and India	4
1.3 Brief overview of Forest Cover of world as well as of India	5
1.4 Background of forest assessment of India	8
1.4.1 Recorded forest area and forest cover	11
1.5 Forest cover assessment of Assam	12
1.6 Status of forest cover in Kokrajhar District	14
1.7 Forest Village of Assam	16
1.7.1 Forest Village in Kokrajhar district	19
1.8 Significance of the Study	22
1.9 Objectives of the Study	23
1.10 Hypothesis	23
1.11 Study Area	24
1.12 Organization of the Chapter	29
Chapter -2 Literature Review	30- 43
2.1 Introduction	30

2.2	Literature related to Forest and forest conservation	30
2.3	Literature related to uses of forest resources	34
2.4	Literature related to community forest conservation	37
Chapter- 3	Methodology and Data Collection	44- 57
3.1	Data base of the study	44
3.2	Sample design	45
3.2.1	Selection of district	48
3.2.2	Selection of forest division	48
3.2.3	Selection of reserve forest	48
3.2.4	Selection of sample village	49
3.2.5	Selection of sample household	52
3.3	Use of variable and statistical tools	53
3.3.1	Variables and statistical tool use in chapter- 4	54
3.3.2	Variables and statistical tool use in chapter- 5	55
3.3.2	Variables and statistical tool use in chapter- 6	56
Chapter - 4	Dependence on Forest Resources by Dwellers of Forest Village	58-92
4.1	Introduction	58
4.2	Endowment of Forest Resource	59
4.3	General profile	59
4.4	Forest	62
4.5	Types of Forest	64
4.6	Forest Resources	68
4.7	Population composition of Kokrajhar district	69
4.7.1	Population composition of Forest Villages of Kokrajhar district	70
4.8.	Dependence on Forest Resources	72
4.9	Benefit from forest products	73
4.10	Grazing Benefit	77

4.10.1	Sources of Grazing	77
4.10.2	Benefit from Grazing	79
4.11	Benefit from forest products	80
4.12	Total benefit/revenue from forest and non-forest products	82
4.13	Costs of production	84
4.14	Production cost of non forest products	86
4.15	Extend of Dependence on Forest	89
4.16	Conclusion	92

Chapter -5 Socio-Economic Status of Forest 93- 111

Villagers and its impact on income from forest products

5.1	Introduction	93
5.2	Socio-economic Profile of the sample villagers	94
5.3	Family size	96
5.4	Age of the family head of the sample households	96
5.5	Gender of the household	98
5.6	Caste/Community pattern of sample village	99
5.7	Literacy	100
5.8	Land Holding	102
5.9	Occupation	103
5.10	Type of House	105
5.11	Used of energy	106
5.12	Livestock population	106
5.13	Result from Regression	107
5.14	Conclusion	110

Chapter – 6 Role of Forest Dwellers in 112- 139 **Biodiversity Conservation**

6.1	Introduction	112
6.1.1	Objective of the study	113

6.1.2	Method of the study	113
6.2	Brief overview of forest degradation in Kokrajhar district	114
6.2.1	Forest degradation during British colonial period	114
6.2.1.1	The Rides and Parallels	116
6.2.1.2	Introduction of Beggar system	116
6.2.1.3	Establishment of Tramway at Kachugaon forest division	117
6.2.2	Present scenario of deforestation in Kokrajhar district	118
6.2.2.1	Encroachment of Reserve Forest in Kokrajhar district	119
6.2.2.2	Assessment made by the Forest Survey of India (FSI)	120
6.3	Communities role and initiatives for biodiversity conservation	122
6.3.1	Community perception and attitude towards biodiversity conservation	123
6.3.2	Tribal tradition and forest conservation	130
6.3.3	Government Initiatives for biodiversity conservation	136
6.3.4	Community-based organisation or NGOs initiative for conservation	137
6.4	Conclusion	139
 Chapter – 7 Summary and conclusion		 140-150
7.1	Introduction	140
7.2	Summary of the findings	140
7.3	Limitation of the study	146
7.4	Conclusion	146
7.5	Recommendations	147
 Bibliography		 151- 156
 APPENDICES		
Appendix- A Questionnaire for household		
Appendix- B Questionnaire on attitudes of households		
Appendix- C Questionnaire on tribal culture and tradition		
Appendix- D List of Forest villages of Kokrajhar district		

LIST OF TABLES

Table No	Title	Page No.
1.1	Forest cover in States/UTs in India (Area in sq.km)	7
1.2	Forest Cover mapping Over the Years	10
1.3	The forest cover of Assam from 1999 to 2017 (area in sq. km)	13
1.4	Forest covers assessment of Kokrajhar district from 1999-2017	15
1.5	Division wise forest villages of Kokrajhar District, 1937	20
1.6	Division wise forest villages of Kokrajhar District, 2011	21
1.7	Total number of reserve forest in Kokrajhar District (as on 2011)	24
3.1	Name of Reserve Forest having Forest Village in Kokrajhar District	49
3.2	Selection of sample village and households of the three forest divisions	51
4.1	Average monthly rainfall of Kokrajhar district and Assam, 2007 (in mm)	62
4.2	Districts having 33 percent forest cover of Assam, 2017 (area in sq.km.)	63
4.3	Population composition of Kokrajhar district	69
4.4	Population composition of forest villages of Kokrajahr district	71
4.5	Benefit from forest products of sample household of the Kokrajhar district	74
4.6	Sources of grazing of sample households (in percentage)	77
4.7	Benefit from grazing of the sample household of the district (in Rs.)	79
4.8	Benefit from Non- forest product of sample households of Kokrajhar district	81
4.9	Total Revenue from forest and non-forest product of the sample households (in Rs.)	83
4.10	Cost of collecting forest product by sample household (in Rs.)	85
4.11	Cost of collecting Non- forest products (in Rs.)	87
4.12	Total Cost of Non-Forest Products (in Rs.)	89
4.13	Extent of dependence on the forest by dwellers of forest village in three forest divisions (in Rs)	90
5.1	Size of Population and Sex ratio of the sample villages	95

	(as per census 2011)	
5.2	Average family sizes of sample villages	96
5.3	Age of the family head of the sample households (in percentage)	97
5.4	Sex of the family head of the sample households (in percentage)	98
5.5	Caste/Community pattern of sample households (in percent)	99
5.6	Educational qualification of family head of the sample households (in percentage)	101
5.7	Land holding of sample households in hectares	103
5.8	Occupation of family head of the sample households (in percentage)	104
5.9	Type of house of the sample village (in percentage)	105
5.10	Use of energy by sample households (in percent)	106
5.11	Number of livestock in sample households (in absolute number)	106
5.12	Regression result	108
6.1	Officially allotted land for forest villagers (in hectares)	119
6.2	Division wise encroachment of forest land in Kokrajhar district (as in 2012)	119
6.3	Change of forest cover in Kokrajhar district, from 2001 to 2017 (in sq.km)	120
6.4	Individual responses towards environmental and biodiversity conservation (in percent)	124
6.5	Division-wise individual responses towards environmental and biodiversity conservation (in percentage)	125
6.6	X ² Tests Result of the individual response of biodiversity conservation	126
6.7	Individuals participation towards environmental and biodiversity conservation in the district (in percentage)	127
6.8	Division-wise individuals' participation towards environmental and biodiversity conservation (in percentage)	128
6.9	X ² Tests result of individual's participation towards environmental and biodiversity conservation	129
6.10	Tribal tradition and biodiversity conservation (in percent)	132

LIST OF FIGURES

Figure No.	Title	Page No
4.1	Population Composition of Kokrajhar district	70
4.2	Population composition of forest village of Kokrajhar district	72
4.3	Benefit from Forest Product of sample villages of Kokrajhar district (in Rs.)	76
4.4	Source of grazing of the sample households in the district	78
4.5	Benefit from grazing of the sample household	79
4.6	Benefit from Non- forest product of sample households (in Rs.)	82
4.7	Total Revenue from forest and non-forest products of sample household	83
4.8	Benefit/revenue of forest product from total and net revenue (in percent)	91
5.1	Age of the family head of the sample households	98
5.2	Caste/Community pattern of sample households (in per cent)	100
5.3	Landholding of the sample household (in per cent)	103
5.4	Occupation of the sample households of the Kokrajhar district	105

LIST OF MAPS

Map No.	Title	Page No
1.1	Location map of the Kokrajhar district of Assam State and India	26
1.2	Location map of the reserve forest in Kokrajhar district.	27
1.3	Location map of the study area in the district .	27
1.4	Location map of the Kachugaon forest division.	28
1.5	Location map of the Haltugaon forest division.	28

LIST OF FLOW CHARTS

Chart No.	Title	Page No
3.1	Flow chart of sample selection	46
3.2	Flow chart of sample design	47
3.3	Flowchart of Sample household	53
