

LIST OF FIGURES

Figure No.	Description	Page No.
1.1	The Constraints on Ω_m and ω as obtained by the Supernova Cosmology project from combination of different data sets including the Union compilation.	22
1.2	Picture of the Universe created from nine years of WMAP data.	23
1.3	Diagram presentation of the radial length ($cdz/H(z)$) and the transverse size $dA(z)\theta$ of an object of BAO.	24
1.4	WMAP spacecraft diagram with major elements.	26
1.5	Chandra X-ray Observatory with major elements.	27
