

# List of papers presented in Conferences/Seminars/Workshops

- (i) **“On five-dimensional FRW universes with Brans-Dicke Field”** presented on National Conference On Green, Sustainable and Evolving Sciences (GSES-2019) organised by Cotton University, Assam, India from 28th to 29th June, 2019.
- (ii) **“Higher Dimensional FRW Bulk viscous Cosmological Model in Lyra Geometry”** presented on 4th National Colloquium on “Advances in Mathematical Sciences” Organised by Dhanamanjuri University, Imphal from 28th to 29th February, 2020.
- (iii) **“Viscous Fluid Cosmological model in FRW Universes”** presented on International Conference on Advances in Mathematics, Science and Technology (ICAMST-2020) organised by Dept. of Mathematics, Rajiv Gandhi University, Arunachal Pradesh.
- (iv) **“Higher Dimensional FRW Bulk Viscous Cosmological Model with variable Gravitational Constant in Lyra Geometry”** presented on International E-Conference on New Frontiers in Science and Technology organised by Research Institute of Science and Technology, Manipur University Campus from 9th to 11th July, 2020.
- (v) **“Viscous Fluid Cosmological model in FRW Universes”** presented on International Conference on Advances in Mathematics, Science and Technology

(ICAMST-2020) organized by Dept. of Mathematics, Rajiv Gandhi University, Arunachal Pradesh.

- (vi) “ **In the framework of Lyra Geometry a brief discussion of Higher dimensional cosmological model by using power law expansion**” presented on International webinar on Foundation for Contemporary Mathematical Research organised by Department of mathematics, Manipur University from 8th to 10th November 2021.
