# Acknowledgements

Research output of this scale requires support, encouragement and guidance from everyone besides the intellectual people. It is my humble duty to recognise their support and express my gratitude for bringing my endeavor to accomplishment.

First of all I would like to express my deep sense of gratitude to my Research Guide, Professor K. Priyokumar Singh, Department of Mathematical Sciences, Bodoland University, for his inspiring guidance and constant encouragement, during my research works. He was not just a teacher to me, but also a well-wisher and mentor. I have benefitted from his outstanding breadth of knoeledge repeatedly. His skill at identifying problems to work on has kept me enthusiastic about my work and led to much stimulating discussion. More, his continuous support of my Ph. D. study and related research, for his patience, motivation and immense knowledge helped me in all the time of research and writting this thesis.

Then I would like to thank Dr. Mukunda Dewri, Head of Department of Mathematical Sciences, for his cooperaion and encouragement during my tenure of research.

I would like to acknowledge the support given by all the teaching staffs of Mathematical Department of Bodoland University namely Dr. Dipak Kumar Mitra, Dr. Bhimraj Basumatary, Dr. Rajshekhar Roy Baruah, Dr. Surajit Kumar Nath, Dr. Dipankar Das. for their useful guidance , encouragement and advice during my research work.

Also I am extremely thankful to all non-teaching staffs, reasearch scholars and students of the Department of Mathematical Sciences, Bodoland University, Kokrajhar for their support during my research work.

I would like to appreciate my beloved research fellows Mr. Ph. Devakinandan Sharma, Mr. Ph. Suranjoy Singh and Mr. Jiten Baro for their cooperation and motivation during my research work.

I also express my heartfelt gratitude to my collegue Mr. Asem Jotin Meitei, Assistant Professor, Pravabati College, for his support and encouragement as friend and well-wisher who always a source of inspiration in all my academic achievements.

I express my sincere thankfulness to Mr. ST Khaiminthang Vaiphei who is a research scholar in Manipur University who inspire and help a lot by discussing different ideas while writing my thesis.

Also I pay full respect and appreciation to all the cosmologists and scholars, whose work is documented here, for without their contribution the analysis could not have done.

Finally I express my heartfelt gratitude to all my family members for their support, assistance and blessings, particularly my wife Maisnam Anita and daughter Tensubam Margaret.

Dated, Kokrajhar

The 6th April, 2022

(Tensubam Alexander Singh)
