

## **ACKNOWLEDGEMENTS**

I wish to express my deep sense of gratitude to Prof. Kangujam Priyokumar Singh, Professor, Department of Mathematical Sciences, Bodoland University, Kokrajhar, BTR, Assam-783370, India for his kind supervision and valuable guidance throughout my research work and the preparation of this thesis.

I would like to express my appreciation to the Head of the Department of mathematical sciences Dr. Mukunda Dewri, Teaching staff Dr. Dipak Kumar Mitra, Dr. Bhimraj Basumatary, Dr. Rajshekhar Roy Baruah, Dr. Surajit Kumar Nath, Dr. Dipankar Das, all Non-Teaching staff, Research Scholars and Students of the Department of Mathematical Sciences, Bodoland University, Kokrajhar for their valuable suggestions and constructive advices during my research period.

I am also grateful to the Principal G. K. Basumatary & all Teaching–non teaching staff of U. N. Academy, Kokrajhar, Principal Gunindra Das & all Teaching–non teaching staff of PDUAM, Tulungia, Bongaigaon and Principal Debendra Kr. Bezbaruah & all Teaching–non teaching staff of Kamrup College, Nalbari for extending all possible help to me.

The study could not have been completed, of course, without the efforts of many cosmologists and researchers whose work is recorded here. I own my deepest gratitude with respectful regards for them.

I am really lucky that my wife Rwisumwi Boro who stood by my side throughout my hard work and tensions in carrying out my research work.

Finally words fail as I try to express my deep sense of gratitude to my beloved mother and father whose vision and dream made me to undertake this work. I am also thankful to all my other family members who have encouraged me.
