

Acknowledgement

“ॐ सरस्वती नमो नमः”

With immense pleasure I take the opportunity to express my deepest sense of gratitude to my supervisor, Dr. Sanjay Basumatary, Professor & Head, Department of Chemistry, Bodoland University, for his indispensable, sincere and relentless guidance in carrying out my research work. Without his suggestion and effort, it would not have been possible for me to complete my research work.

I offer my humble thanks to Dr. Dhrubajyoti Haloi, Associate Professor, Tezpur University, Tezpur and former Associate Professor, Department of Chemistry, Bodoland University for his support during his presence at Bodoland University in carrying out my research work.

I take the opportunity to offer my profound respect and regards to Dr. Pranjal Kalita, Associate Professor, Department of Chemistry, CIT, Kokrajhar and my teacher Dr. Anup Kr. Talukdar, Professor, Department of Chemistry, Gauhati University, Guwahati for their suggestions during my research work. I would also like to thank Dr. Hemaprobha Saikia, Assistant Professor, Department of Chemistry, Bodoland University for her moral support during my research work.

Special thanks to Dr. R. N. Sinha, Principal, Science College, Kokrajhar for his encouraging support as well as allowing me to undertake the Ph.D. research work.

I gratefully acknowledge the bits of help provided by Dr. Bipul Das, Scientist, CSIR-NEIST, Jorhat, Assam, India in XPS, HRTEM, FESEM and XRD analyses. I would also like to acknowledge humble and kind support rendered by SAIC, Tezpur University, Assam in XRD, SEM and AAS analyses.

I am thankful to SAIF, NEHU, Shillong for TEM and NMR analyses, Department of Chemistry, Gauhati University; Department of Chemistry, Central Institute of Technology, Kokrajhar, Assam and Department of Chemistry, BN, College, Dhubri, Assam for FTIR analysis.

I am also thankful to Material Analysis and Research Centre, Bangalore for providing the facility for BET surface area & HRTEM, and Biotech Park, IIT, Guwahati for GC-MS analysis.

I would like to give my heartiest thanks to Mr. Babul Chandra Sarma, Mr. Harekrishna Sharma and Miss Pompey Roy of Quality Control Laboratory, IOCL, Bongaigaon Refinery, India for providing necessary support in testing biodiesel properties.

I am grateful to my lab mates, Bidangshri Basumatary, Madhabi Bhattacharjee and Anjana Dhar for their help and active companionship during my research work. I also thank Mr. Parmeswar Basumatary, Laboratory Assistant, Chemistry, Bodoland University for his active support in this regard.

Acknowledgement

I would like to thank my colleagues of Department of Chemistry, Science College, Kokrajhar for their support and cooperation.

I am highly grateful to my wife Niva Rani Nath, Assistant Professor, Commerce College, Kokrajhar for her mental support and affection.

Most importantly, I am thankful to the tremendous support and faith of my father and mother placed on me throughout my academic career.

Lastly, I thank my father-in-law and mother-in-law for their encouraging support in my research work.

Inadvertently I may left-out someone, I sincerely thank to all of them also for their kind help in my research work.

Biswajit Nath.
