CERTIFICATE

This is to certify that the thesis entitled “**A study on physico-chemical properties of Diplai Beel water and its influence on the macrophyte flora. A case study**” which is being submitted by Hiralal Choudhury, as a part fulfilment for the award of the Ph.D. degree in Biotechnology to the Bodoland University is a bonafied research work record carried out under my supervision and guidance.

This is an original piece of work done by Hiralal Choudhury himself which has not been submitted earlier for any degree/ diploma in the university nor published so far in any journal or book.

I forward the thesis for submission to the Bodoland University for the award of the degree of Doctor of Philosophy to the scholar.
