

ACKNOWLEDGMENTS

I like to take privilege to express my deep sense of gratitude and sincere appreciation to all those who have co-operated me in the preparation of this Thesis.

Initially, I give my heartiest thanks to my Supervisor Dr. Indira Boro for her precious guidance and liberal help as well as encouragement throughout the period of investigation and preparation of this Thesis. I also indebted to my teachers: Dr. Phukan Chandra Basumatary, Dr. Ismail Hussain, Dr. Bhoumik Chandra Baro, Dr. Bijitgiri Basumatary, Baneswar Baro and Dr. Rupashree Hazowary for their moral support and encouragements during my research work. I am also very much thankful to my research scholar friends Bina Basumatary, Piriti Basumatary for their active co-operation as well as friendly support in collecting data for my research work. I also yearn to express my earnest thanks to brother Dr. Daimalu Brahma and Dr. Manoj Kumar Deka, HOD, Computer Science & Technology for their help in handling the computer software during my research work.

Secondly, I am highly indebted to my spouse Dr. Nilut Swargiary and daughter Mohorthi Swargiary, my Parents Sri Jyotirmay Mahilary, Smt. Karneswari Mahilary, my brother Dhananjay Mahilary, sister Fulshri Mahilary and all other my family members whose names are not mentioned here for their support, encouragement and blessing in doing my Dissertation without which this work would not be successful.

Finally, I remain ever grateful to the Authority of Bodoland University and Department of Bodo, Bodoland University, Kokrajhar, Assam, India, for providing me the scope of research works.
