
List of Published Papers

- 1. Perfect Fluid Bianchi Type-I Universe & Generalized Cosmic Chaplygin Gas with Large Scale Factor**, Kangujam Priyokumar Singh, Rajshekhar Roy Baruah, *Prespacetime Journal*, Volume 7, pp 2105-2110(2017).
- 2. Generalized Cosmic Chaplygin Gas in Bianchi Type I Anisotropic Universe And Law of Variation of Hubble's Parameter**, Kangujam Priyokumar Singh, Rajshekhar Roy Baruah, *The African Review of Physics*, Volume 11, pp 39-43 (2016).
- 3. Universe Filled With Generalized Cosmic Chaplygin Gas and Barotropic Fluid**, Kangujam Priyokumar Singh, Rajshekhar Roy Baruah, *International Journal of Astronomy and Astrophysics*, Volume 6, pp 105-110 (2016).
- 4. Generalized Cosmic Chaplygin Gas Model Interacting in Non-flat Universe**, Rajshekhar Roy Baruah, *International Journal of Astronomy*, Volume 5(1), pp 7-12 (2016).
- 5. Generalized Cosmic Chaplygin Gas Model Interacting in Bianchi Type I universe**, Rajshekhar Roy Baruah, *International Journal of Applied Mathematics and Statistical Sciences*, Volume 5(1), pp 63-70 (2016).

- 6. Bianchi Type-III Spacetime and Generalized Cosmic Chaplygin Gas,** Kangujam Priyokumar Singh, Rajshekhar Roy Baruah,
International Journal on Future Revolution in Computer Science & Communication Engineering, Volume 4(2), pp 281-284 (2018).
