

## ACKNOWLEDGEMENTS

At the outset I thank the Almighty for blessing me with energy and aspiration for doing the research on a new topic to contribute to creation of new knowledge. I acknowledge help and guidance of my supervisor, **PROF. P.K. PATRA** and the best wishes of my well wishers without which the thesis would not have been completed. I am also thankful to the faculty and staff at Bodoland University, Kokrajhar for their kind assistance in everything since the time of my admission in the Ph.D. course. I am grateful to my parents Mr. Tirtha Nath Gogoi and Mrs. Putali Gogoi and senior in-laws for being the source inspiration for me all the time. My husband Mr. Hari Nath Borah has been all along with me for all my efforts. I am also thankful to all my in-laws, colleagues and friends for their help and good wishes.
