

ACKNOWLEDGEMENT

At the very outset I avail this opportunity to express my sincere gratitude to UGC and Ministry of Tribal Affairs for providing me the financial assistance to carry out my research work.

I expressed my heartiest thanks to my supervisor, Dr. Sanjay Basumatary, Assistant Professor, Department of Chemistry, Bodoland University for his indispensable and sincere guidance in carrying out my research work. He was always there to clear any doubt in my mind throughout the work.

I sincerely acknowledge Dr. Sandeep Das, Associate Professor and Head, and all other faculty members of Department of Biotechnology, Bodoland University for their support and providing all the necessary facilities to carry out my research work.

I am also thankful to the laboratory bearers for their help in accessing lab equipments and also for their unfailing support and assistance.

I am very much thankful to Anuck Islary Sir, former Head, Department of Food Engineering and Technology and all other faculties, technical staff, laboratory bearer of Department of Food Engineering and Technology, CIT, Kokrajhar.

I extend my thanks to the Librarian of CIT, Kokrajhar for innumerable help in my works.

I also offer my sincere thanks to DBT-Biotech-Hub, Bodoland University for the facilities.

I am very much thankful to Sanjib Brahma Sir, Assistant Professor and Head, Department of Botany, Science College, Kokrajhar and also thankful to Department of Botany, Kokrajhar Govt. College, Kokrajhar for sharing their facilities.

I also would like to thank all my co-scholars of Department of Biotechnology for sharing their truthful and illuminating views on a number of issues related to the project. I would also like to express my heartiest thank to all my friends and the respondent whom I could not mention their names for giving their valuable time during my research work.

Most importantly, I am thankful to my parents, my beloved brothers and sister for their constant help and support in many ways during my research.

Hwiyang Narzary
