ACKNOWLEDGEMENT

This thesis is the result of many pillars behind me, without whom I would not have completed my research. During the period of research, many personalities helped and encouraged me with their wisdom and good wishes.

Dr. Jeemina Baglari, my supervisor was literally my Friend, Philosopher and Guide during this period. I am always grateful to her for her persuasion, inspiration and most importantly time which was spent with me. Without her constant pushing this thesis would not have been completed.

I must thank Honourable Vice Chancellor, Deputy Registrar and Academic Registrar of Bodoland University for granting me time extension for submission of my Thesis.

I take this opportunity to thank all the Special school teachers and officials of Special Schools of Assam for providing me all the information regarding the study.

During the course of my work I have received numerous help from the Faculty Members of the Department of Education, Bodoland University and take this opportunity to thank them.

Here I take the opportunity to thank Dr. Rajesh Barman, Department of Commerce, Bodoland University for his encouragement and support.

I also take this opportunity to thank Dr. Binita Bora Dev Choudhury, Head of the Department of Assamese, Bhattadev University, Dr. Dwipendra Adhikari, Retired Head of the Department of Statistics, Bhattadev University, Dr Karuna Mohan Sarmah Retired Head of the Department of Philosophy, Bhattadev University, Dr Upokul Mahanta, Associate Professor, Department of Physics, and Anjan Sarma, Associate Professor, Department of Political Science, Bhattadev University for their support and help during the course of this research.

I would like to thank my colleagues in work place and friends who have encouraged and supported me during this period.

I am indebted to the Library staff of Bodoland University, District Library Kokrajhar, Kokrajhar Govt. College Library for giving me access to the different materials and sources require during my research work.

I am also very much grateful to my colleagues from my university Sipankar Das and Joy Raj Gogoi for their constant support and suggestion.

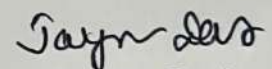

I convey my heartfelt gratitude to Abhraneel Dev Choudhury and Phunja Brahma and her family for their painstaking labour in helping me to complete my work.

Lastly, I am very much delighted to thank my parents, Mrs. Bina Das and my late father Dipak Das, who constantly prayed for me to Almighty God to complete my research work. I am indeed having no words to repay them. I also thank all my siblings' family members, friends and well wishers who have directly or indirectly rendered their services in the effort of completing my present research work.

Above all, I thank Almighty God for his mercy endures throughout my journey, granting me excellent health, blessed with wonderful people that remain besides me in times of obstacles and anxieties whenever I needed most.
