

## ACKNOWLEDGEMENTS

I am extremely grateful to my supervisor Dr. Phukan Ch. Basumatary, Head of the Bodo Department, Bodoland University, Kokrajhar whose valuable suggestion, critical analysis, constant guidance and supervision have given this thesis final shape.

I am equally grateful to other learned faculty members of the Department of Bodo for their valuable suggestions and encouragement. During Ph.D. course work by attending their classes, I am very much benefited. In this regard, I must express my gratitude to Dr. Indira Boro and Dr. Ismail Hussain (former faculty member of Department, now a faculty member of G.U., the Bodo Department). In addition, I am grateful to my Principal Dr. H.C. Das of Bongaigaon College, Bongaigaon for encouragement and valuable suggestions.

I am also grateful to the staff of Padmashree Modaram Brahma Central Library of Bodoland University, the staff of K.K Handique Library of Guwahati University and staff of Bongaigaon College Library. Further, I am grateful to the staff of R.D. Printers, Guwahati for final setting and printing of this thesis.

My thanks are due to Mr. Rakhow Basumatary, Z. D. Basumatary and Gobindo Basumatary who are respondents to the questionnaire during my field work. I am also thankful to my wife Ms. Bandana Boro for her constant support and inspiration. I also offer gratitude to all my well-wisher and friends who directly or indirectly helped me in writing out this thesis.
