

ACKNOWLEDGEMENT

At the outset, I would like to offer my sincere gratitude to my respected guide and supervisor Dr. Birendra Kumar Brahma, Department of Biotechnology, Bodoland University, Kokrajhar, Assam, India for his sincere supervision and guidance, inspiration, constant encouragement and deep involvement in every step in carrying out my research works successfully.

I extend my heartfelt gratitude to the respected Dr. Binoy Kumar Brahma, Principal, Kokrajhar Govt. College for his continuous inspiration in completing my Ph.D. work.

I must take the opportunity to thank the UGC, NERO office for granting me UGC Teacher Fellowship under FDP, XII Plan otherwise it would have been an impossible task for me to complete my research work smoothly in such a topic. I am thankful to the teachers and office staff of Biotechnology Department of Bodoland University, Kokrajhar who were beside me during my research works.

I am thankful to the institutions for my analytical parts, plant study and identification, books of reference etc. They are Sophisticated Analytical Instrument Facility, (NEHU, Shillong), Botanical Survey of India (Shillong), Water Commission of India (Kokrajhar), Assam Pollution Control Board (Guwahati), EREC India Research Laboratory, Guwahati, Gauhati University Library and NEHU Library etc.

I am grateful to Prof. P. K. Saikia, Dr. A. Hazarika, Dr. R. Hazarika, Dr. U. Deka, Dr. R. Sarma, Dr. S. Kalita, Dr. R. Das, Dr. M. Pathak (EREC), Ujjal Dutta (EREC), Raju Roy & Kajal Das (Computer), Teachers of Botany Department, Kokrajhar Govt. College and all well wishers.

I must remember my beloved *Maa & Pita*, uncles, brothers and sisters, *Luit* and *Gargi*, relatives known/unknown and immediate associate my wife, *Bibha* for their blessings, helps and inspirations which led me to reach at this goal.

Place: Kokrajhar
